

City of Huber Heights Commemorative Bench and Tree with Charm Program

The City of Huber Heights Parks and Recreation Department invites you to participate in our Commemorative Bench and Tree Charm Program.

The program provides a unique and special way to honor a loved one, celebrate a special event, or honor a person or organization that has made a difference in our community.

Purchasers may request which park/City property receives the bench or tree. However, ultimate determination is that of the Parks & Recreation Director. Please contact the department before submitting payment if your participation is contingent on a specific location. Our goal is to accommodate requests when allowed by our park standards and guidelines.
