Bounce for a Cause!

Join us for a fun-filled evening of jumping, laughter, and community support as we raise funds for Autism Awareness!

When you jump on April 24 between 4-6 pm, 20% will be donated to the Doug Flutie Jr. Foundation for Autism, supporting families and individuals affected by autism across the country.

Proudly supported by the Huber Heights Police and Fire Divisions. Meet real-life heroes and check out police and fire vehicles during this public safety event.

Bring your friends and family - every bounce helps! Let's spread awareness and support together.
