**FOR IMMEDIATE RELEASE**

**PORTION OF RIP RAP ROAD CLOSURE FOR 2 WEEKS**

HUBER HEIGHTS, Ohio – The City of Huber Heights Engineering Department announces that a portion of Rip Rap Road along the Great Miami River, in the area near the existing flood gates, will be closed for two weeks from 8:00 am Wednesday, May 7, 2025, to 5:00 pm Wednesday, May 21, 2025.

The road will be closed to install temporary piping across the road in order to perform an Ohio EPA water test on a new well being installed at the City's wellfield. The road will be reopened sooner if the completion of the test and clean-up is finished before the scheduled time.

Traffic will be detoured to Chambersburg Road and Bridgewater Road.
