

THE CITY OF HUBER HEIGHTS

LEAF PROGRAM-GUIDELINES

The City of Huber Heights Street Division is happy to provide you with leaf pick-up service and strives to make this year the most efficient yet. The following guidelines provided will ensure a more efficient collection of your leaves.

- Rake your leaves to the area behind the curb as close to the road as possible.
- Please do not place bagged leaves at the curb. If you bag your leaves you may take them to the **7255 Bridgewater Rd. Leaf Compost Site** or put them out with your trash collection. Please remember to remove your leaves from the bags, and take the bags home with you to use again, if you take them to the Compost Site.
- The leaf crews will not pick up leaves from under, between, or around parked cars.
- Please do not put grass, tree branches, or brush in the piles of leaves. If these materials are placed in your leaf piles your leaves will not be picked up.
- Have your leaves ready as early as possible. Do not try to rake as trucks are going by.
- Please be aware that leaf collection creates a fine dust in the air, so plan accordingly.
- Remember, slow downs may occur during the leaf collection program due to inclement weather and equipment failures. Please be patient, we will pick up your leaves.
- Check the (24) hour Leaf Hot-Line at 237-3603 or our city Facebook page for daily crew locations.

MAP AND STREET DIRECTORY GUIDE

- Find the area of your residence on the map. The number in that area is the leaf pick up district you live in.
- If you are unsure of your section, refer inside to the Street Directory. It contains an alphabetical listing of Huber Heights streets and the corresponding sections.
- Out road properties not included on the map will be picked up periodically, according to volume, two to three times as needed.
